LEGISLATIVE ASSEMBLY

PRIVATE BILLS

EXCERPT FROM STANDING ORDERS RELATING TO PRIVATE BILLS

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a) A printed copy of such Bill;
- (b) A copy of the petition to be presented to the House;
- (c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5th, 1949.

E. K. DeBECK,
Clerk, Legislative Assembly.

The address of its registered office is 1508 Standard Building, 510 West Hastings Street, Vancouver, B.C.

The objects for which the Company is established are:—

(a) To search for and recover and win from the earth petroleum, natural gas, oil, salt, metals, minerals, and mineral substances of all kinds, and to that end to explore, prospect, mine, quarry, bore, sink wells, construct works, or otherwise proceed as may be necessary to produce, manufacture, purchase, acquire, refine, smelt, store, distribute, sell, dispose of, and deal in petroleum, natural gas, oil, salt, chemicals, metals, minerals, and mineral substances of all kinds, and all products of any of the same, to trade in, deal in, and contract with reference to lands and products thereof, or interests in land, mines, quarries, wells, leases, privileges, licences, concessions, and rights of all kinds covering, relating to, or containing or believed to cover, relate to, or contain petroleum, natural gas, oil, salt, chemicals, metals, minerals, or mineral substances of any kind:

(b) Within or outside Canada to construct, purchase, lease, or otherwise acquire and hold, develop, operate, maintain, control, lease, mortgage, create liens upon any and all pipe lines and all appurtenances relative thereto for gathering, processing, transmitting, transporting, storing, and delivering natural and (or) artificial gas and other gaseous or liquid hydrocarbons, and oil, and including pumping stations, terminals, storage tanks or reservoirs, and all works relative thereto for use in connection with said pipe-lines, and to purchase, or otherwise acquire, process, transmit, transport, and sell or otherwise dispose of and distribute natural and artificial gas and other gaseous or liquid hydrocarbons, and oil and petroleum products of all kinds:

(c) To supply, distribute, and deal in gas, oil, and other natural or manufactured fuel products for lighting, heating, motive power, or any other purposes whatsoever; to prospect for, develop, drill, bore, sink, mine, dig for, produce, procure, manufacture, buy, sell, use, dispose of, and deal in natural gas, oil, and other natural, artificial, or manufactured fuel products:

(d) To acquire, construct, erect, lay down, drill, maintain, enlarge, alter, work, and use all such lands, buildings, erections, derricks, easements, gas and other works, and plants, wells, reservoirs, machinery, plant, stock pipes, pipe-lines, lamps, motors, fittings, meters, apparatus, equipment, material, and things and to supply all materials,

products, and things as may be necessary, incident, or convenient in connection with the acquisition, production, use, storage, regulation, measurement, supply, piping and distribution, purchase and sale or other dealing in all or any of the products of the Company:

(e) To acquire, hold, improve, lease, exchange, operate, sell, deal in, and control timber, farming, ranching, grazing, coal, petroleum, natural gas, mineral, and other lands, or any interest or rights therein, and the products thereof; to build, construct, equip, maintain, operate, and control plants, mills, mines, quarries, kilns, foundries, furnaces, smelters, woodworking and other factories, reduction and concentration and other works for the development of such lands, and for the development, handling, preparing, and rendering commercially valuable and available the various products thereof:

(f) To carry on at such cities, towns, villages, place or places as the Company may from time to time determine, subject to Provincial, local, and municipal laws and regulations in that behalf, the business of an electric light company in any or all of its branches, and in particular to acquire, construct, lay down, establish, fix, carry out, and maintain all power houses, buildings, erections, works, generating stations, substations, cables, wires, lines, poles, accumulators, lamps, apparatus, machinery, equipment, and things necessary or convenient for the purposes thereof, and to acquire, generate, accumulate, distribute, supply, and deal in electricity for light, heat, power, or any other purpose whatsoever, and to light cities, towns, villages, or other municipalities, streets, houses, buildings, and places, both public and private:

(g) To carry on the business of electricians, mechanical engineers, and manufacturers and workers and dealers in electricity, natural gas, and other fuel products, motive power, heat and light, and any business in which the application of electricity, gas, or any power, like or otherwise, is or may be convenient, useful, or ornamental, and to manufacture, sell, and lease to other corporations, and to public and private consumers of light, heat, or power, all goods, wares, merchandise, property, and substances now used in the production thereof or incidental thereto, or that hereafter may be invented, discovered, or become known therein, and to manufacture, contract for, and furnish light, heat, and power to other corporations, persons, and firms, public and private; provided always that the foregoing powers shall be subject to all Provincial, municipal, and local laws and regulations affecting the same; to acquire by lease, purchase, exchange, gift, or otherwise, and to build, erect, construct, own, operate, maintain, equip, and control manufacturing, reservoirs, and buildings of all kinds, furnaces, foundries, workshops, refineries, mills, and factories, with suitable plant, boilers, engines, machinery, fittings, apparatus, and appliances:

(h) To carry on the business of manufacturer and refiner of oils, grease, petroleum, and the by-products thereof, to deal in, import and export, and sell, lease, or otherwise dispose of oil, grease, chemicals, or rights or interests therein, and to purchase, buy, sell, and deal in crude petroleum oil and other oils, grease, and other products thereof; to erect, acquire, buy, purchase, lease, or otherwise maintain and operate oil-refineries or plants; to work the same; to store, tank, warehouse, refine crude petroleum oil and other oils, grease, and chemicals; to construct and maintain oil works on the property of the Company; to do all acts, matters, and things as are incidental or necessary to the due attainment of the above objects, or any of them; to carry on the business of bonded warehouses, custom brokers, and storage warehouses:

(i) To own, lease, sell, operate, and maintain aircraft and aerodromes for the purpose of its undertaking, together with the facilities required for the operation of such aircraft and aerodromes:

(j) To own, lease, operate, and maintain interstation telephone, teletype, and telegraph communication systems and subject to “The Radio Act, 1938,” and any other statute relating to radio, own, lease, operate, and maintain interstation radio communication facilities:

(k) To purchase, own, lease, or otherwise acquire and develop and turn to account real and personal property of whatsoever nature used or capable of being used in connection with its undertaking:

(l) To carry on the business of general contractors for the location, designing, planning, construction, and equipment of public and private works and constructions of every kind and nature and of every phase thereof:

(m) To plan, construct, execute, carry out, equip, improve, supervise, work, develop, administer, manage, or control public and private works and conveniences of all kinds and any phases thereof:

(n) Subject to the "Engineering Profession Act" and the "Architects Act," to carry on the business of civil, mining, mechanical, electrical, hydraulic, chemical, or structural engineering, and to perform architectural work of all kinds, including reporting on, designing, preparing of plans or specifications of, locating or directing the construction of any works, or any phase of any works, including but without restricting the generality of the foregoing, public utilities, industrial works, railways, bridges, highways, right of way, pipe-lines, harbour-works, steam-engines, pumps, internal-combustion engines, electrical machinery and apparatus, works for the development, transmission, or application of power, light, heat, fuel, gas or oil, municipal works, irrigation works, waterworks, and all other engineering-works, and any phase thereof, and all buildings and constructions necessary to the proper housing, installation, and operation of any of the foregoing:

(o) Subject to the "Land Surveyors Act," to carry on the business of land surveying in all its branches, and to act as draughtsmen and makers of plans:

(p) To carry on the business of dealers in and manufacturers of plants, instruments, engines, and machinery, and the business of toolmakers, brass founders, metal workers, boilermakers, millwrights, instrument-makers, machinists, iron and steel converters, smiths, steam and gas fitters, woodworkers, builders, painters, metallurgists, electrical, civil, and oil, gas, and water supply engineers, gas makers, carriers, and merchants; to buy, sell, manufacture, repair, convert, alter, let or hire, and deal in machinery, implements, rolling stock, and hardware of all kinds:

(q) To acquire and hold, but not to trade in the same as a business or plan for profit, shares, stocks, debentures, bonds, obligations, and securities of all kinds issued or guaranteed by any company where-soever situate or carrying on business and debentures, bonds, obligations, and securities issued or guaranteed by any government, commissioners, public body, or authority, supreme, municipal, local, or otherwise, whether in Canada or elsewhere, or any right, title, or interest therein:

(r) Nothing herein contained or in section 22 of the "Companies Act" shall authorize the Company to trade, deal, or speculate in real estate, but this shall not prevent the Company from buying or selling real estate as a means of investing the Company's funds, or in the fulfilment or exercise of the Company's other objects or powers:

(s) To carry on all or any of the businesses that are usually or may be conveniently carried on by natural gas, oil, or other natural or manufactured fuel product companies and to carry on any other business which may seem to the Company capable of being conveniently carried on in connection with the above, or calculated, directly or indirectly, to enhance the value of the Company's property or rights, and which it is not prohibited by law from carrying on:

(t) To do all such other acts as are incidental or conducive to the attainment of the above objects or any of them and to exercise generally all such powers as may from time to time be exercisable by it under and by virtue of the "Companies Act" of British Columbia, or of any other Governmental Act or authority.
